Players Code of Conduct

You should: -

- Participate for the 'Fun of it' not just to please your parents or coach.
- Play by the laws of the game and accept all the referees' decisions. Show respect to all others including opponents and officials.
- Control your temper – you and your team will benefit.
- Aggression, Violence, and bad language are not acceptable.
- Keep trying even when it seems hopeless. If you give up, you will let yourself and your family and friends down too.
- Be a good sport. Recognise all good play whether by your team or by your opponent's team.
- Do not criticise the effort of others – you make mistakes and have bad days too.
- Treat all players, as you would like to be treated. Do not bully or take unfair advantage of any player.
- Remember, as well as your enjoyment, the aims of the game are to improve your skills and to feel good.
- Co-operate with your coach, referee, teammates, and opponents, without them you do not have a game.
- Show good sportsmanship after a match by shaking hands with the officials and your opponents.
- At all times show respect to all. This includes when away from any football activities and in particular comments or content placed on social media sites.
- Understand that action may be taken by the club, league, or FA if the above code is not followed.

Membership Rules

1. All members will be registered with the local Portsmouth Youth Football League (PYFL). Registration forms must be duly completed, and the fee paid. Transfer to another club is permissible provided the correct procedure is followed, this club will not unreasonably withhold its approval provided any due monies are paid and club property returned.
2. Under the Data Protection Regulations (GDPR), registration is also considered to be permission to hold personal details on a database only for as long is necessary by the club, the league, and the Football Association.
3. The club will ensure there is suitable insurance against injury, but will not accept responsibility for any such injury, or loss or damage to property.
4. Members are expected to attend all matches and training sessions. The team manager must be notified with reasonable notice if this is not possible, payment of subs will be continuous.
5. Transport to and from venues is the responsibility of the member/parent and NOT that of the manager or club. This is in line with FA guidelines and club policy regarding child welfare (safeguarding).
6. The club will supply kit and equipment solely for Hurstwood activities. It should be cared for and returned in good order, or a charge will be made for its replacement, allowing for fair wear and tear. The Club reserves the right to prevent any transfer to another club during the season or between seasons until any outstanding equipment is returned and or monies paid.
7. Members (and family) are expected to support fund raising activities, remember this is for the benefit of players.

Parents and Spectators Code of Conduct

You should: -

- Foster enthusiastic participation: do not force an unwilling child to participate in Football. Recognise that children play football for their own fun. They are not there to entertain you.
- Educate your child always to play by the laws of the game.
- Instil in children an understanding and enjoyment of the value of coaching. Acknowledge the value and importance of volunteer coaches and referees. They give freely of their time and resources to provide football for children. Do not confuse players by interfering or telling them what to do.
- Set a good example: Emphasise respect for the referees by not publicly questioning the referee's honesty or decision-making – have you ever refereed without error?
- Encourage a child who has made a mistake during a game – never ridicule.
- Applaud good play by your team and the opposing team - children learn best by example.
- Teach children that honest effort is as important as victory, so that defeat is accepted without disappointment.
- Condemn bad behaviour and bad language.
- Try not to shout continually 'at' children - shout occasionally 'for' them.
- At all times show respect to all. This includes when away from any football activities and in particular comments or content placed on social media sites.
- Understand that the club or league or FA may take action if you fail to follow the above code.
